Warning Letter Re: FPPC No. 2020-00532 – North Kern South Tulare Hospital District

Dear North Kern South Tulare Hospital District and Mr. Adebayo:

The Enforcement Division of the Fair Political Practices Commission (the “Commission”) enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from the Commission’s Legal Division regarding the District’s failure to submit a completed 2018 biennial notice to reflect whether or not the District’s Conflict of Interest Code is current and accurate.

The Act requires multi-county agencies to review their Conflict of Interest Codes *each even-numbered year* and, if an agency determines that amendments are necessary due to changed circumstances, an amended Conflict of Interest Code must be submitted to the Commission. If no change is required, the agency head must submit a written statement to that effect to the Commission no later than October 1 of the same year.²

The District’s actions violated the Act by failing to timely submit the 2018 Biennial Notice to the Commission by the October 1, 2018 deadline. However, since you submitted the 2018 Biennial Notice immediately after you were contacted by the Enforcement Division, you explained that you only recently started your position as the District’s Administrator, and the District has no prior history of violating the Act, the Enforcement Division has decided to close this matter with this warning letter.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these

proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Please feel free to contact Tara Stock at tstock@fppc.ca.gov with any questions you may have regarding this letter.
